## TRANSFORMERS

### KREON MICRO-CHANGERS™

PRODUCT DOES NOT CONVERT

#### SCORPONOK™

I'm Scorponok, and I'm always one step ahead of the game. If you think you can outsmart me, you've got another thing coming – in the form of my toxic tail! I'm big, I'm bad, and if the Decepticons know what's good for 'em, pretty soon I'll be in charge!

**Rival:** Galvatron

**Big Plan:** Take over the Decepticons. Conquer Earth.

**Favorite Hangout:** The biggest throne he can find.

#### SUNSTORM™

I'm so hot, I'm on fire! No, really. I'm actually on fire. My fusion-fueled fury pulses out through my cyberalloy chassis and melts anyone who gets too close. Sure, I'm fast and powerful, but it gets lonely being so scorching.

**Fondest wish:** To get a hug from someone whose arms didn't immediately melt off.

**Power source:** Brick-powered fusion

**Big Plan:** To learn how to chill

#### SPINISTER™

I am known as Spinister. I am dark, silent and dangerous. You are one of the few to hear of me and survive, so keep it on the down low, all right? I can't have a bunch of squishy humans blabbing my name and ruining my mysterious rep.

**Hobby:** Hiding fusion bombs in the Autobot restroom.

**Dark Secret:** Terrified of Galvatron.

**Best Friend:** His beam cannon.

#### GALVATRON™

Nothing stands before Galvatron! I am supreme! I am totally awesome! I am the scariest thing ever to come out of the mouth of a weirdly pudgy planet monster! Look upon me and despair!

**Hobby:** Conquest

**Likes:** Disintegrating traitors.

**Boss:** UniKREON

#### CRANKSTART™

What was that? Did you hear that? Someone's out to get me! I can't see 'em, but I know they're there. A lot of the other Kreons call me paranoid. They think I'm off my brick. But you'd be paranoid too if you knew someone was out there hunting you.

**Hobby:** Hiding

**Likes:** Not being found

**Enemies:** Everyone, as far as he's concerned

#### WASPINATOR™

WASPINATOR not like other brick-bots! WASPINATOR looooooves being taken apart! Oh yes! There is nothing WASPINATOR loves more than being just a head on a table! Please disassemble WASPINATOR!

**Hobby:** Getting blown up.

**Favorite Hangout:** In shadows, behind big rocks. Anywhere lasers can't hit him.

**Preferred Status:** Disassembled
