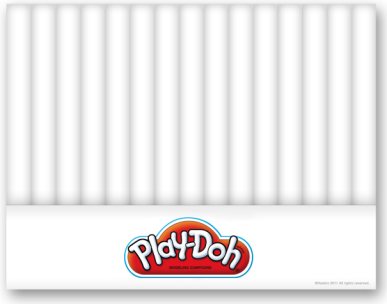
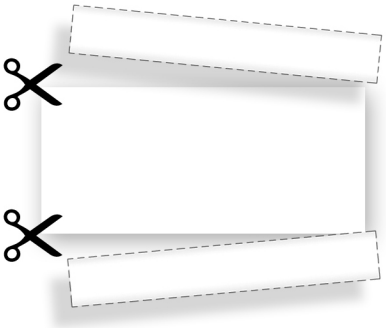
Chef's Hat

Here is a useful tip before you get started!
For best results, print patterns onto cardstock or glue onto cardboard.

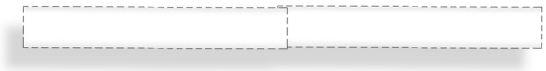
1. Using a color printer, print the Chef Hat pattern onto an 8.5" x 11" sheet of paper.



2. On a separate sheet of paper, print out the Chef Hat's securing strap pattern. Cut along the dashed lines to trim out the strap segments from the outer edges of the pattern sheet.



3. Tape the two strap segments together.



4. Tape one side of the strap to the Chef Hat.

5. Fit hat onto child's head and tape down the other side of the band to at an appropriate tightness.

6. Get to creating!
