## CONTENTS

13 Rings, 16 Clips, Spinner, Carrying Case

## OBJECT OF THE GAME

Spin the spinner and hop through the Twister Hopscotch path without touching that color spot.

## SET UP THE GAME

Spread the rings on a flat surface, indoors or outdoors. Clip the rings together in the path design you choose by pushing the clips onto the rings until they snap into place. Position the spinner near the Twister Hopscotch path.

## 1 PLAYER GAME

On a turn, spin the spinner. Start by standing off the Twister Hopscotch path, and then hop through the hopscotch rings by hopping in each ring with one foot. If there are two or more rings placed side-by-side, hop with both feet in two separate rings. Avoid hopping in the color spun as you hop through the Twister Hopscotch path.

## 2 PLAYER GAME

On a turn, one player spins the spinner. Each player starts by standing off the hopscotch path on either end, then each player hops at the same time through the hopscotch path by hopping in each ring with one foot. If there are two or more rings placed side-by-side, hop with both feet in two separate rings. Each player must avoid hopping in the color spun as they hop through the Twister Hopscotch path.

When the players reach each other in the middle of the path, they can customize a Hopscotch Interaction—for example, a “high five”, “secret hand shake” or “special dance”.

## 3 OR MORE PLAYER GAME

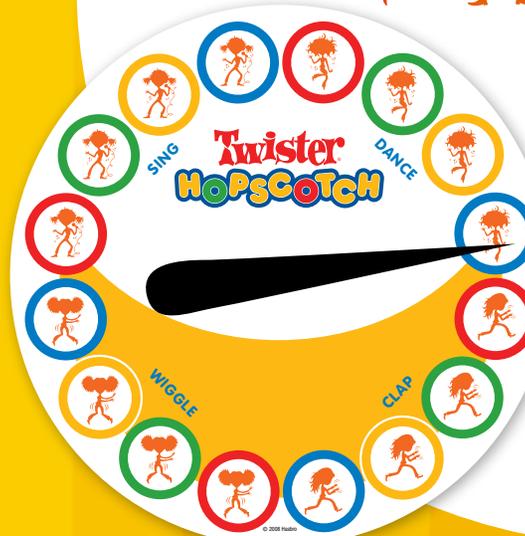

Players can decide whether to hop individually or pair up in 2-player groups. Then follow instructions for 1 Player Game or 2 Player Game above.
