

GO-BOTS: Mission Earth

From far across the universe, the GO-BOTS have come to Earth to protect our planet, and to guide it to a better future! The unfriendly invaders who create hurricanes, earthquakes, and other disasters are no match for the power of the ultimate form-changing force, the GO-BOTS! With GO-BOTS robots, anything is possible, because they have the ability to change – to become something new.

GO-GO-GO-BOTS!™

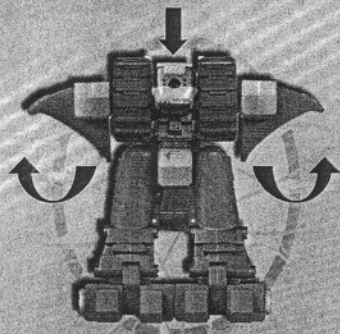

Scrap-Bot

When he turns into a bulldozer, he has an uncontrollable urge to push, scoop and throw things that can reduce a large area to rubble. But with lots of help from the GO-BOTS, his incredible power could be harnessed to help him become a valuable member of the team.

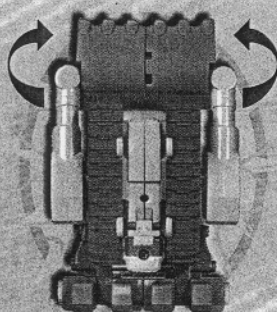

CHANGES IN 4 EASY STEPS!

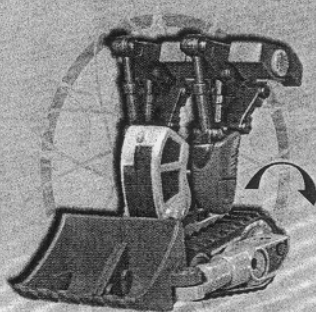

ROBOT TO BULLDOZER

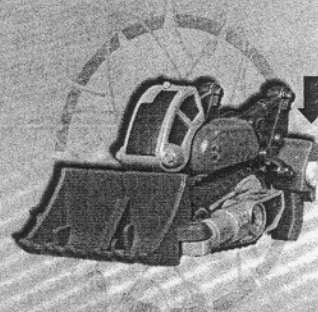

1 Flip robot head down and rotate arms backward.

2 Turn robot hands in and fit together.

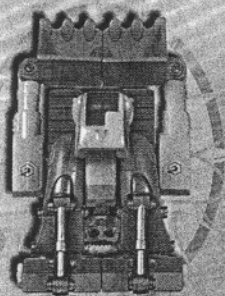

3 Flip toy over, onto treads.

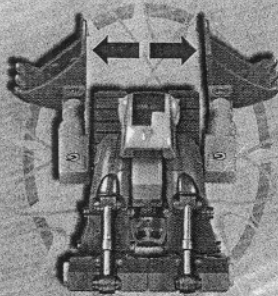

4 Swing legs down.

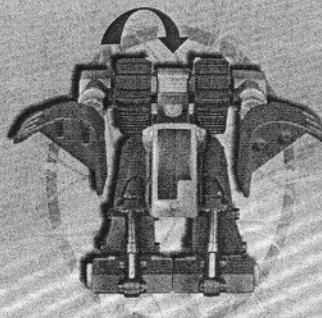

BULLDOZER TO ROBOT

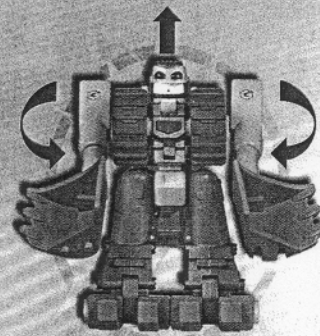

1 Stand bulldozer up.

2 Pull scoop halves apart.

3 Flip up treads.

4 Flip up robot head and rotate arms forward.
