"GO FISH!"

JUMBO® Card Game

OBJECT: To have the most sets of matching cards.

SETUP: Shuffle, then spread cards face down in a central Draw "pile." Each player draws 6. (Hold with notch in upper right, characters facing you.)

PLAY: If you have any sets (4 matching cards), lay them down, face up. All players do the same. Youngest player goes first; play passes left. **On your turn:** • Try to complete a set by asking any other player for what you need. You must have at least one of the card you ask for in your hand, and the other player must give you all the cards of that character he or she holds. • If you are given a card(s), go again; you may ask anyone. **Note:** Any time you complete a set, lay it down. • But if you don't receive a card(s), the called-on player says, "Go Fish!" and you must draw one card. • If you draw the character you asked for, show it, then ask any player again for any card. • But if you don't draw the character you asked for, add the drawn card to your hand; your turn ends.

WINNING: When all 10 sets are laid down, the game is over. The player with the most sets wins.
