### Royal Riot Card Game

**For 2 to 6 players / Ages 6 to adult**

**OBJECT:** Slap! Stand Up! Salute! Make the correct response to the royal family and friends—and be first to get rid of all your cards!

**EQUIPMENT:** 47 cards (Remove the coupon card from the deck.)

1. ⟶

•

• If everyone responds correctly no one takes the pile.

• But if you reacted incorrectly, you must collect all the cards on the pile; turn them over and place them under the rest of your cards.

• If more than one player makes a wrong response, no one takes the pile.

• Play continues: The player to the left of whoever just went turns up a card.

3. ⟶

**SETUP:** The youngest player deals the cards equally; place any leftovers aside, out of play. Stack your cards face down in front of you.

**GAME PLAY for 3-6 players:** The player to the dealer's left goes first: Turn over your top card (lift it away from you) and place it face up in the center of the table. Now, *everybody*, respond as quickly as you can to the turned-over card. See RESPONSES described inside this rules sheet.

2.

**WINNING:** The first player to get rid of all of his or her cards wins!

**FOR 2 PLAYERS:** Go through your stack *once*, and keep collected cards *separate*. When both players' stacks are gone, count up your collected cards. The player with the fewest cards wins.
