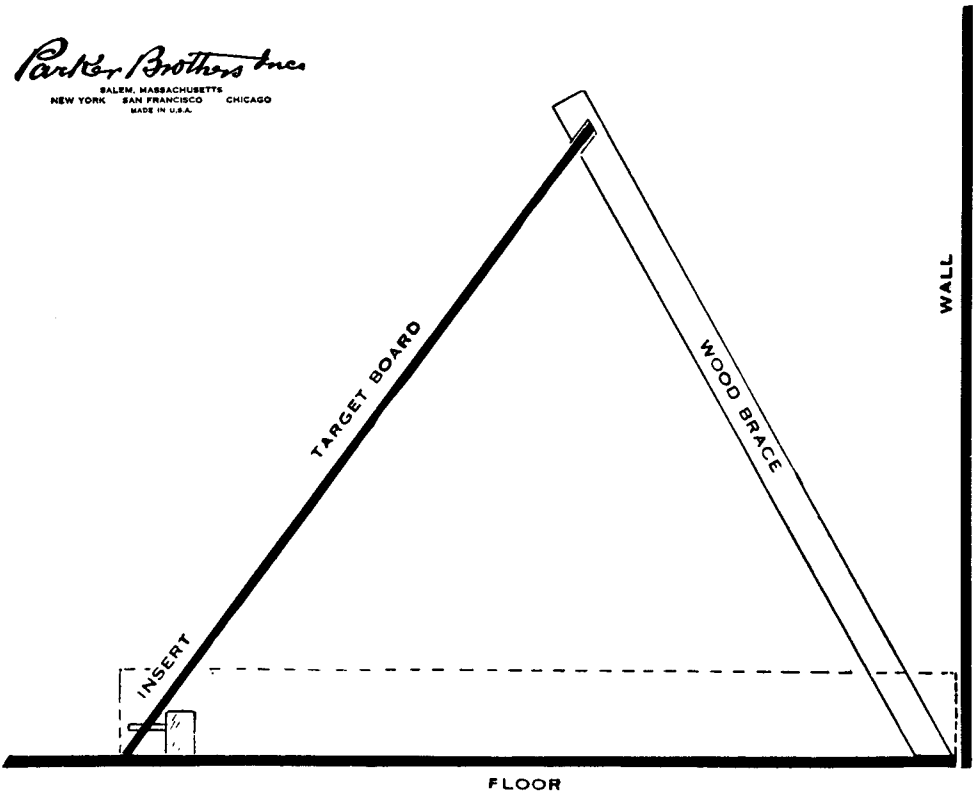
HOWDY DOODY

BEAN BAG GAME



SIDE VIEW SHOWING ASSEMBLY

1. Set up target board in the box as shown in the picture.
2. Place box against a wall or other object to prevent moving.
3. Stand back six or seven feet from target.
4. Each player throws the bean bags, one at a time, at the numbered holes in the target, until all three bags have been thrown. This ends his turn and the next player takes his turn.
5. A bag must pass through completely to score the number printed at the opening, otherwise there is no score.
6. The player with the highest score at the end of four turns, wins the game.
