

INSTRUCTIONS

1. LABEL APPLICATION

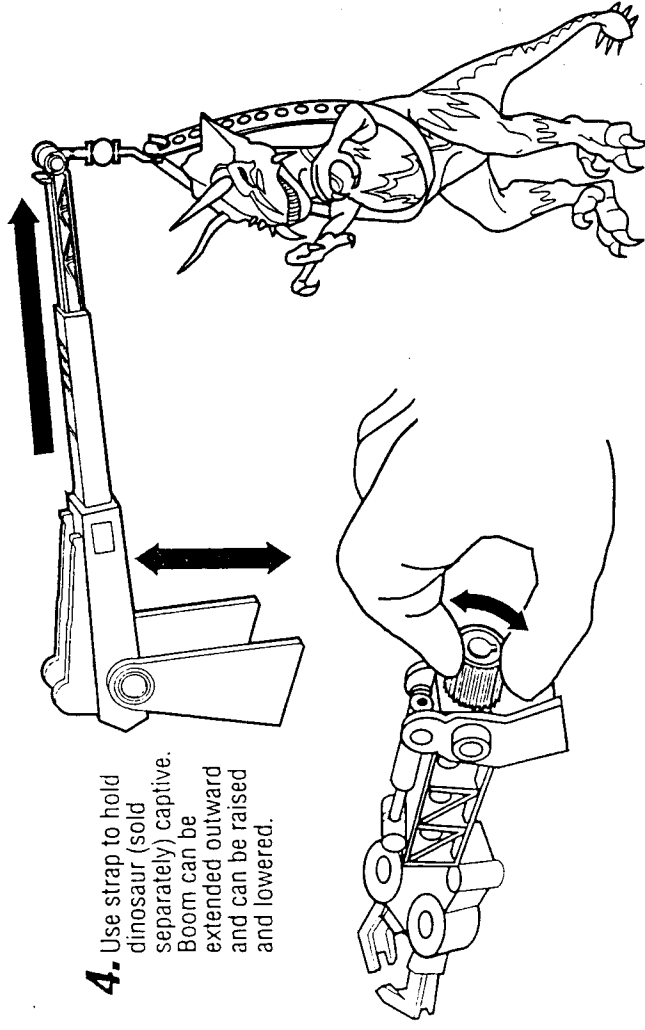

Apply labels to the unassembled parts using the numbers on the label sheet and these illustrations as a guide.

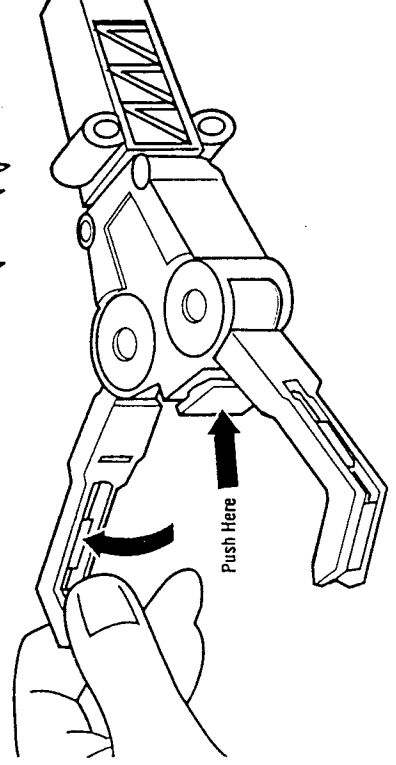

3. Open protective cover to place figure (sold separately) inside vehicle.

4. Use strap to hold dinosaur (sold separately) captive. Boom can be extended outward and can be raised and lowered.

5. Turn knob to rotate claw. Manually open both sides of claw at the same time until they stay in the open position. To close claw, press in on the plate.
