

### 1. SQUIRTLE #07 IS YOURS

Squirtle is a tiny turtle, 1 foot, 8 inches tall and weighing 20lbs. After Squirtle was born, its back swelled up and hardened into a shell. Squirtle is known for the powerful bursts of foam it sprays from its mouth! Its attacks are tail, tail whip, bubble, and water gun.

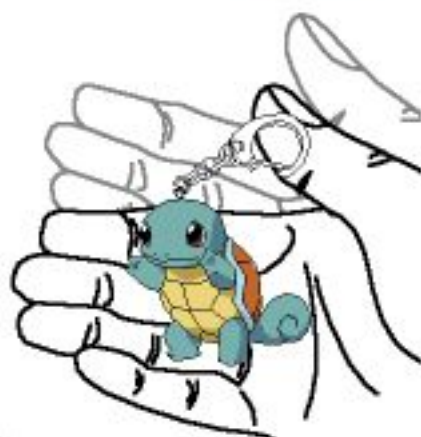

### 2. HOW TO USE

On the bottom of your Squirtle keychain is a switch. Turn the switch clockwise to turn it on!

Now whenever you pick up your Squirtle keychain and jiggle it, it will light up. The flashing lights make Squirtle appear to be life like!

To turn off the light, just turn the switch on the bottom of the unit counterclockwise.

Your Squirtle unit comes with a powerful electric cell that will give you about 120,000 flashes of light! Now THAT's Pokémon power! This electric cell cannot be replaced.

### 3. CAUTION

- A non-replaceable electric cell is used in this product.
- Do not disassemble this product to prevent children from swallowing the electric cell.
- Do not allow children below the age of three to hold this product in order to prevent them from swallowing it.
- Throw away the transparent plastic material after you open the package. It is just packing material and is not part of the keychain.
- For information on this product's 90-Day Limited Warranty, please call Tiger Electronics, Ltd. at 1-800-844-3733.

Note: This product is disposable, and you cannot replace the electric cell.
