Included in your set of PIGSKIN is a die which makes it possible, with the few small changes listed below, to play the game of PIGSKIN with only one player.

1. Remove from the deck the four cards marked "Replace Player".
2. Each team uses only two Star Linemen, two Second Linemen, seven Scrub Linemen, one Star Back, one Second Back and seven Scrub Backs. All other pieces are removed from the game.
3. On all running plays use the die to determine the position at which the play is run in accordance with the following table:

Dice Throw	Position Directed at
1	Right End
2	Right Tackle
3	Right Guard
4	Left Guard
5	Left Tackle
6	Left End

4. On all pass plays, except long passes, use the following table:

Dice Throw	Position Directed at
1-2	Center
3-4	Left Half Back
5-6	Right Half Back

On all plays except those listed in paragraphs 3 and 4 above the player turns up the next card and follows instructions as in regular PIGSKIN. All other rules which apply in regular PIGSKIN also apply in the Solitaire Game.
