Fun For All Playground Set™

Includes: Jungle gym with slide, stairs, tire swing, 2-seat swing, bridge, monkey bars, ladder and girl figure.

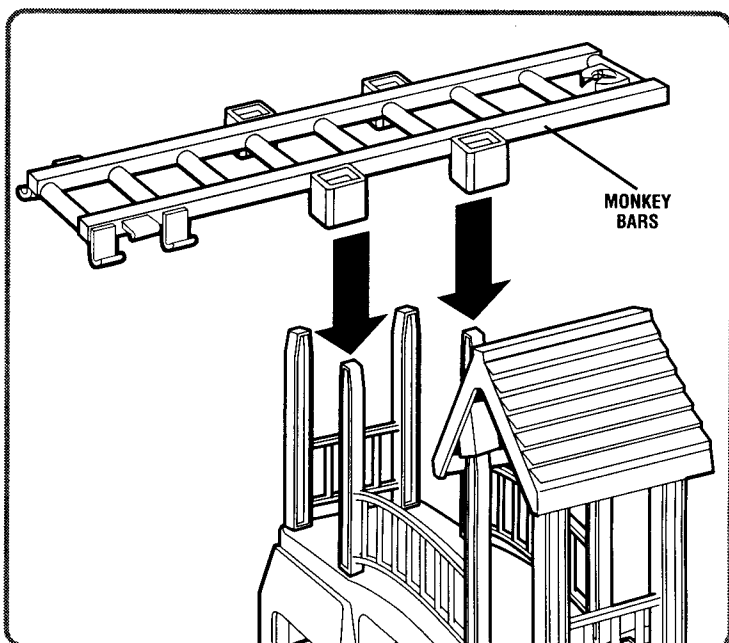

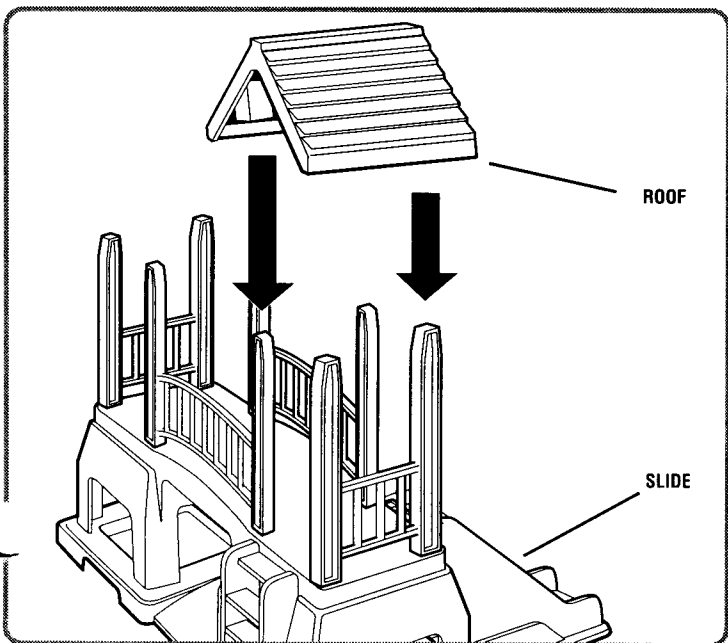

Playground Set Assembly

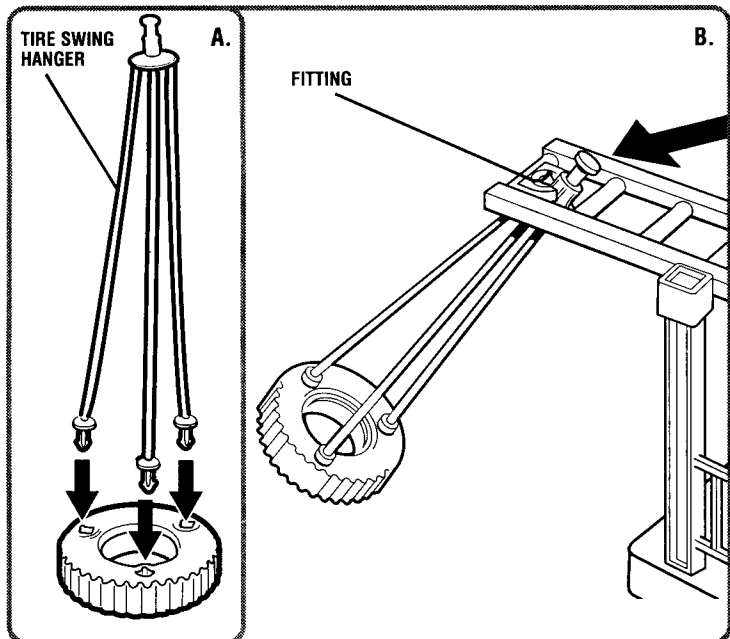

1. Snap the jungle gym assembly (with railings attached) to the playground base as shown. Either side of assembly can fit into either side of base.

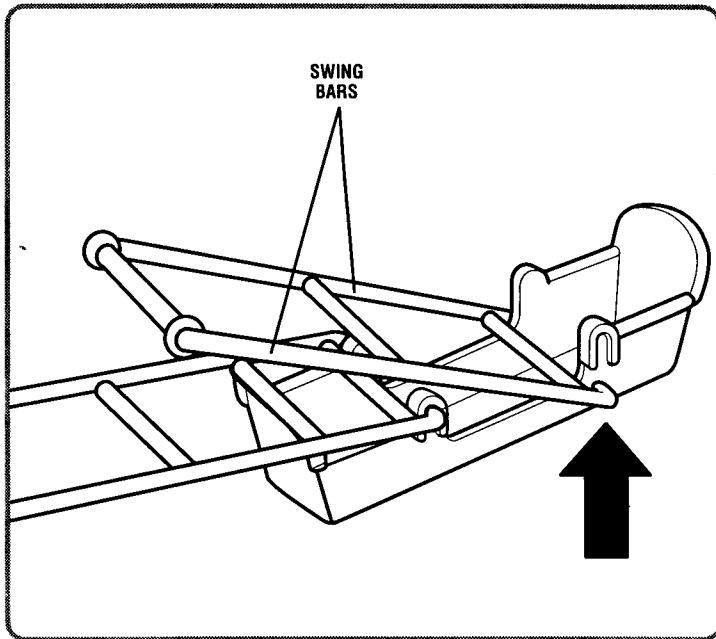

2. Assemble the slide and stairs into the 2 fittings of jungle gym as shown. Both the slide and stairs can fit into either of the 2 fittings.

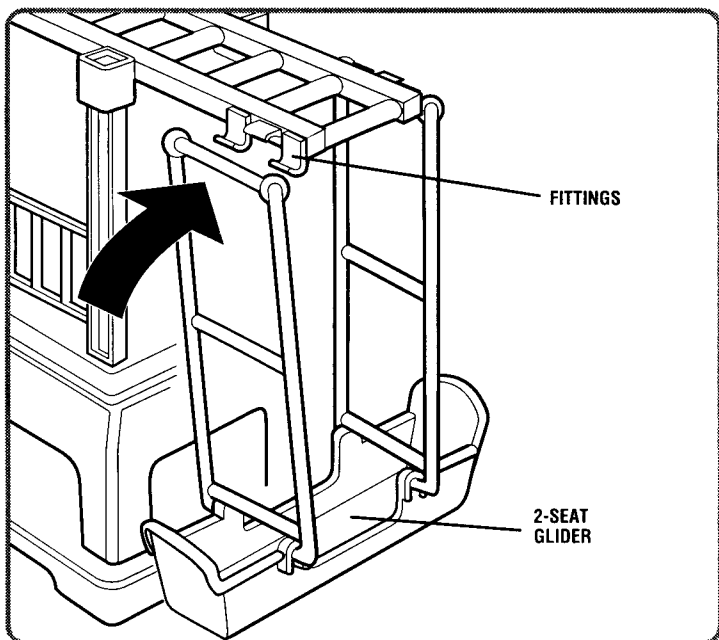

3. Attach the roof to the side of jungle gym with the slide and stairs. Attach the monkey bars to the other side as shown.

4. A Snap the 3 ends of tire swing hager into fittings on tire.
4. B Snap the tire swing into fitting on one end of monkey bars.

5. Attach the swing bars to the 2 seat- glider swing.

6. Attach the swing bars to the 2-seat glider swing, then fit top of bars into fittings on other end of monkey bars.

6. The Fun For All Playground also comes with a girl figure who can sit in the tire swing or seat swing, or can play on the slide or monkey bars!
