CAREFULLY READ INSTRUCTIONS AND CHECK DIAGRAMS BEFORE PLAYING WITH BIGFOOT.

IMPORTANT NOTICE:

For proper operation, please use 4 fresh, "AA" alkaline or NICAD batteries in your BIGFOOT.

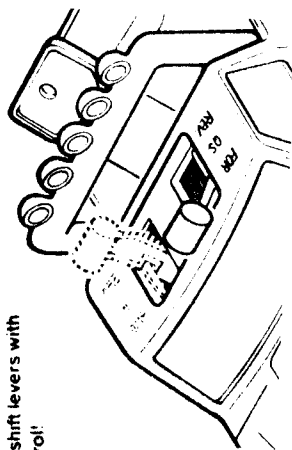

KNOW YOUR BIGFOOT:

BIGFOOT is a unique Super Truck! It has 2 gearshift levers with a total of 6 positions...so you are really in control!

DRIVER'S SIDE GEARSHIFT LEVER:

- "FORWARD" (FOR)
- "QUICK START" (Q.S.) (Explained later)
- "REVERSE" (REV)

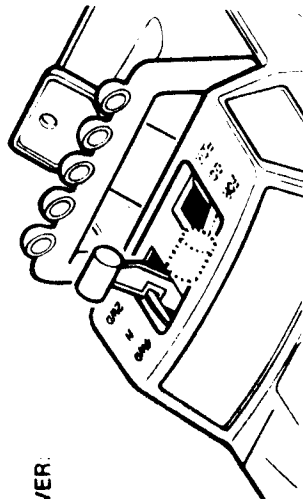

Note: Driver's side lever is easy to shift giving you quick responsive control

PASSENGER SIDE GEARSHIFT LEVER:

- "4-WHEEL DRIVE" (4WD)
For extra power and traction on hilly, rugged terrain.
- "NEUTRAL" (N)
For idling
- "2-WHEEL DRIVE (2WD)
For extra speed on gentle terrain

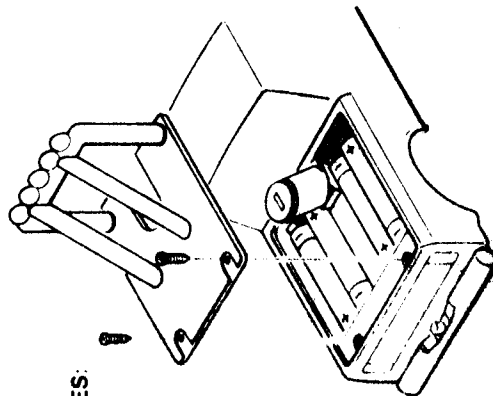

Note: Shifting the passenger side lever requires firm pressure to ensure proper gear engagement.

HOW TO INSTALL BIGFOOT'S BATTERIES:

NOTE: BEFORE INSERTING 4 "AA" BATTERIES BE SURE THE PASSENGER SIDE GEARSHIFT LEVER IS IN "NEUTRAL" (N) POSITION.

1. Loosen the two screws near tailgate with a phillips screwdriver.
2. Remove battery cover to expose battery compartment.
3. Position batteries in BIGFOOT'S battery compartment as shown.
4. Replace cover and tighten screws.
Caution: Do not overtighten screws.

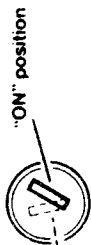

NOW YOU'RE READY TO REV UP BIGFOOT!

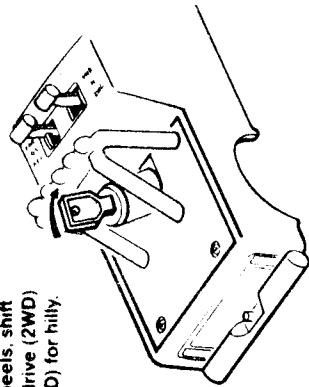

HOW TO FIRE UP BIGFOOT:

BE SURE PASSENGER SIDE GEARSHIFT LEVER IS IN "NEUTRAL" (N) POSITION
AND DRIVER'S SIDE LEVER IS IN "QUICK START" (Q.S.) POSITION.

1. Insert key in ignition and gently turn it to the right, as shown.
Note: If you lose the key, simply start motor by turning ignition column with thumb and forefinger.

2. Shift driver's side gear into "FORWARD" (FOR) or "REVERSE" (REV). Hear BIGFOOT'S motor rumble!
3. Being careful to keep fingers clear of wheels, shift passenger side gear lever into 2-wheel drive (2WD) for normal running or 4-wheel drive (4WD) for hilly, rugged terrain... AND YOU'RE OFF!

HOW TO "QUICK START" BIGFOOT:

1. Move driver's side lever into center "QUICK START" (Q.S.) position.
Move passenger side lever into 2WD or 4WD.
2. Turn ignition key to "ON" position. You will not hear BIGFOOT'S motor.

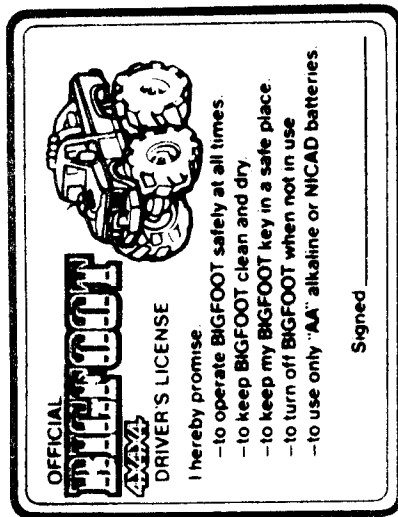

When you're ready to make a quick getaway... simply shift the driver's side gearshift lever into "FORWARD" or "REVERSE"... AND WATCH BIGFOOT TAKE OFF!

HOW TO TURN OFF BIGFOOT:

1. Shift BIGFOOT'S passenger side gear lever into "NEUTRAL" position.
2. Turn ignition key left to "OFF" position.

GENERAL OPERATING INSTRUCTIONS:

- In 4-wheel drive, BIGFOOT is a pro at climbing over rough, tough terrain. Make an obstacle course: indoors or out, then put BIGFOOT through its paces!
- BIGFOOT will run indoors or out, but because BIGFOOT is not water-proof, do not operate in water or mud.
- BIGFOOT can be used as a regular, non-motorized truck, too!
- For freewheeling, be sure gearshift lever is in "NEUTRAL" position.
- If BIGFOOT experiences poor climbing ability or sluggish action, batteries may be weak. Install fresh batteries before seeking service.

HOW TO CUSTOMIZE YOUR BIGFOOT:

1. Carefully peel labels from sheet. Position label as shown on box. Press entire label down firmly.
2. BIGFOOT'S body can be highlighted with any model kit paint. For the authentic BIGFOOT look, paint as follows:

Front Parking Lamps	Amber (Orange)
Front Side Lamps	Amber
Rear Side Lamps	Red
Body Molding Strips	Silver
Lower Molding Strips	Silver
Door Handles	Silver
Shock Absorbers	Yellow

THE STORY OF BIGFOOT

Your BIGFOOT is designed to look just like the real BIGFOOT Super Truck. The original BIGFOOT was the dream of a man named Bob-Chandler. He wanted to build the biggest, toughest 4 X 4 truck ever!

Working with many skilled mechanics for several years, Bob took a standard pick-up truck and redesigned it into a monster truck... BIGFOOT 4X4X4 SUPER TRUCK!

Everything about BIGFOOT is special. Its enormous tires weigh 900 pounds each and boost BIGFOOT'S height to over 10 feet! Bob has to use a ladder just to get in the driver's seat!

BIGFOOT'S supercharged engine has enough power to perform all kinds of stunts... hill climbing, mud pulls, even crushing ordinary cars under its tires.

Bob Chandler and BIGFOOT spend much of the year traveling to car shows all around the country. So keep your eyes open... maybe someday you'll see the real BIGFOOT rolling into your town!

Watch for other BIGFOOT products at your favorite toy store.
