OBJECT

Whose floppy-eared puppy is faster? Let's find out! Race your yipping, yapping puppy up the track...through the gate...and into the yard to fetch a ball. Now, race back down the track. To win, be the player with the most balls when the yard is empty.

EQUIPMENT

- PUPPY RACERS™ yard, track and puppies
- 5 Balls • Labels

ASSEMBLY—Refer to the package back.

1. Labels: Apply the puppies' eyes. The pair with yellow around them go on the yellow puppy's head.

3. Snap the Dog House and Back Fence into the Base.
4. Press the bottoms of the 2 white Gates into the sockets in the Base.
5. Set the Button section into the Base.

SETUP

1. Put all 5 Balls in the yard, in front of the Dog House.
2. Pick the puppy you want to race and sit behind that puppy's button.

GAMEPLAY

On the count of "One, Two, THREE!" both players start pushing their buttons and racing their puppies up the track. If a Ball pops out of the yard or track, put it back in the yard.
