# SLIDERS™

SLIDE 'EM TO THE EDGE!

Play alone,  
one-on-one, or in  
teams. Line up your Sliders  
on a table or desk. A smooth,  
flat surface is the best!

Then slide 'em, collide 'em,  
send 'em to the edge! Shoot your  
Slider past the rest! Score 1 point if  
you're the closest to the table's edge.  
Score 2 points if yours is a  
Cliffhanger—hanging half-on, half-  
off the edge! First to score 10  
points wins!

## Moving Target! Another Great Game!

You need two Sliders per player.

Place a coin on the table as a  
target. Each player slides one Slider  
as close to the target as possible. Watch out!  
The target could move, too! Distance from target  
determines shooting order of remaining Sliders. The  
one farthest away goes first. Slide and collide to  
get in close! The closest Slider to the target wins  
1 point. First to score 10 points wins!
