

## READY...AIM...SPLAT™!

Every time you hit the center target on the mat with Splat™ compound, you'll hear one of four cool phrases or sound effects! (Sounds are activated when the compound touches both contacts on the center target.)

### Easy 3-Step Cleanup!

1. Place Splat compound back in can and seal lid.
2. Remove excess from carpets/fabrics, then allow remaining compound to dry.
3. Loosen dried compound with stiff brush and vacuum clean. If necessary, brush with gentle soap and cold water. (Do not use hot water or cleaning solutions to clean Splat™ compound from carpets/fabrics.)

**Note:** Staining may result if Splat™ compound comes into prolonged contact with furniture, carpeting, wood finishes or wallpaper.

# ELECTRONIC SPLAT 'N SOUND™

### Includes:

**1 Splat 'n Sound™ Mat**

**1 four-ounce container  
of Splat™ compound  
(Net Weight 4 oz.,  
113 grams)**

**1 hook**

**1 strap**

**Requires 3 "AAA"  
batteries (not  
included). Phillips  
screwdriver (not  
included) required for  
battery installation.**

**Do not throw Splat™ compound at people, animals or breakable objects.**

## To Install Batteries

Use a Phillips screwdriver to loosen screw in battery compartment door (screw remains attached to door). Remove door. Insert 3 "AAA" alkaline batteries. Replace door and tighten screw.

## ! CAUTION: TO AVOID BATTERY LEAKAGE

1. As with all small batteries, the batteries used with this toy should be kept away from small children who still put things in their mouths. If they are swallowed, promptly see a doctor and, in the U.S., have the doctor phone (202) 625-3333 collect, or, in Canada, have the doctor call your provincial Poison Control Centre.
2. Make sure the batteries are inserted correctly and always follow the toy and battery manufacturers' instructions.
3. Do not mix old batteries and new batteries or alkaline, standard (carbon-zinc) or rechargeable (nickel-cadmium) batteries.

## HANG THE SPLAT™ MAT

1. From underside of mat hanger, feed strap through bottom slot then top slot as shown.
2. Feed strap through slot at top of mat.

3. Facing front of hook, feed strap through top slot then bottom slot as shown.
4. Fit hook over top of door. Adjust height of mat using hook end of strap.

**Now you're  
ready for action!**
