DUNE STINGER™ >>>
Bringing new meaning to the phrase "silent but deadly", these ultimate stealth troops pack a paralyzing sting of super noxious, pollution-based toxins. Known to lurk under the sands around Hive colonies, stalking intruders, spies, clueless tourists, and other undesirable guests.

SECTOID™ >>>
Diverse species of intelligent, efficient, and deadly warriors. Society is centered around a vast network of interconnecting underground passages known as the Hive, which they protect at any cost. Capitol City, "Queen Hive" located in the Northern Madragar Waste. WARNING: will swarm when annoyed.

BUILD | BATTLE | XEVOZ

To build your most powerful DUNE STINGER warrior, first snap the hip piece onto the chest piece. Then YOU DECIDE which weapons, armor, and body parts to add on!
HINT: As you build, it may be easier to assemble the arms and legs before you snap them into the figure's torso.
