HYPERFURIES™ >> World's oldest living beings. Draw their power from the primal energies of earth and nature: lava flows, glacial lakes, etc. Enslaved by human sorcerers at the dawn of time, but some have now reclaimed mastery of their devastating powers. Sworn enemies of man.

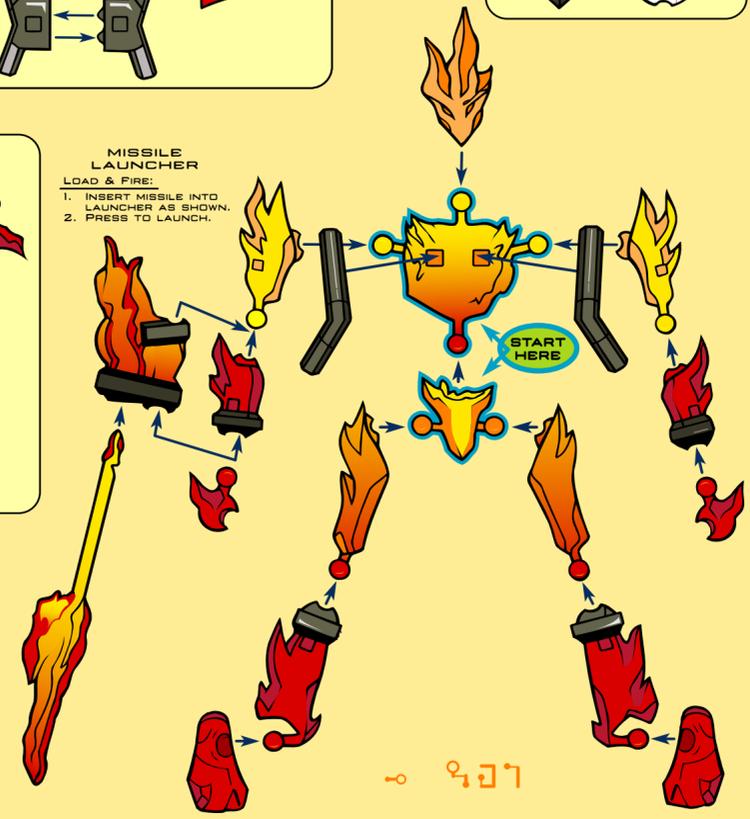

INFERNO FURY™ >> Beings of pure fire. Created in ancient times to battle dragons in the Hoarfrost Mountains. Carry lethal flame weapons forged deep in the bowels of the earth. Powered by the Hearth Stones and the energy of the sun. Rarest of all Hyperfuries.

HYPERFURIES™/INFERNO FURY™ BUILD | BATTLE | XEVOLVE

To build your most powerful INFERNO FURY warrior, first snap the hip piece onto the chest piece. Then YOU DECIDE which weapons, armor, and body parts to add on!
HINT: As you build, it may be easier to assemble the arms and legs before you snap them into the figure's torso.
