BONE-CUTTER™
These rank-and-file grunts are the heavy infantry of the great Hive army. Known to attack in huge, buzzing clouds that block out the sun. Segmented eyes enhance their vision and guard against ambush attacks. The clicking of their claws before battle is enough to make anyone's skin crawl.

SECTOID™
Diverse species of intelligent, efficient, and deadly warriors. Society is centered around a vast network of interconnecting underground passages known as the Hive, which they protect at any cost. Capitol City, "Queen Hive" located in the Northern Madragar Waste. WARNING: will swarm when annoyed.

BUILD | BATTLE | XEVOZ

To build your most powerful BONE-CUTTER warrior, first snap the hip piece onto the chest piece. Then YOU DECIDE which weapons, armor, and body parts to add on!
HINT: As you build, it may be easier to assemble the arms and legs before you snap them into the figure's torso.
