

Then flip it, flop it, turn it, twist it.

Now try these: Cat

Mouse

Nesting Bird

Snail

Squawking Boxes

Cube

Stacked Cubes

Captured Cube

# Yoshi's PUZZLE

"Yoshi" is the well-known Japanese sculptor Naoki Yoshimoto, whose sculpture is very geometric in nature. In YOSHI'S PUZZLE, East meets West in an artistic riddle that offers endless challenge...and endless solutions. We've shown you 28 designs here. How many can you come up with?

Stacked Triangles

Captured Triangle

Binoculars

Box Kite

Chair

House

Tulip

Maple Leaf

Tiki Mask

.... For an added dimension, try working with two or more

And if you're frustrated,
