### selectaquest®

To win this **Selectaquest**, your team must correctly answer the **multiple-choice** question below. I'll read the question and choices aloud, pass the card to you, and then start the timer.

### question

What does the term "cocktail party phenomenon" refer to?

- a) the immovable crowd at the buffet table
- b) the act of becoming more social after a few drinks
- c) the way people separate into distinct groups during a gathering
- d) the ability to listen attentively to one conversation during a loud party

MY PARTY

### cameo®

To win this **Cameo**, choose a performer from your team who can get you to guess the answer on the back of this card by **acting out silent clues**, just like charades. I'll read the hint aloud, pass the card to the performer, and then start the timer.

hint  
action

1

Cut around the outer edges of the cards, setting aside the margins. You'll have a piece of paper that looks like this.

2

Cut this piece into four sections along the dotted lines. You'll have four smaller pieces, each showing a card front and a card back.

3

Fold each piece in half to match up the card front and back, then paste or glue the two sides together. That's it—enjoy your new cards!
