Luckily, the travelers land in the “Hippo” homeland, where they discover that they’re really looking for Hippogriffs, part pony and part eagle. With her Pearl of Transformation, the Hippogriffs’ Queen Novo has changed all her subjects into Seaponies to protect them from the Storm King. She transforms her pony guests too!

While Twilight Sparkle considers “borrowing” the power of the Pearl, look around for these throne room things:

- Spike
- this jellyfish
- royal crown
- this coral
- Pearl
- Jamal
