

SOCIAL PLAY

AGES 5+

Hey Grown-ups!

If your child is ready to try playing with others, the activities in this playbook can be a great tool to help you teach them how to engage in social and/or imaginative play.

Keep in mind: Since you know your child best, it is up to you to pick which products and resources are most appropriate for his or her level of ability. Make sure you supervise the play as needed, and don't modify the products. Looking for more guidance for your child's play level? Please visit www.autismproject.org for more information.

This activity uses the TRANSFORMERS BUMBLEBEE TURBO CHANGER™*, TRANSFORMERS GRIMLOCK TURBO CHANGER, or TRANSFORMERS MEGATRON TURBO CHANGER toy.

Meet Bumblebee!
You can play with Bumblebee as a vehicle or a robot.

Let's switch Bumblebee from vehicle mode to robot mode.

**First, squeeze the vehicle doors
and pull the feet.**

**Then, turn out his arms
and pull his hands down.**

Now imagine Bumblebee is ready to battle the Decepticons!

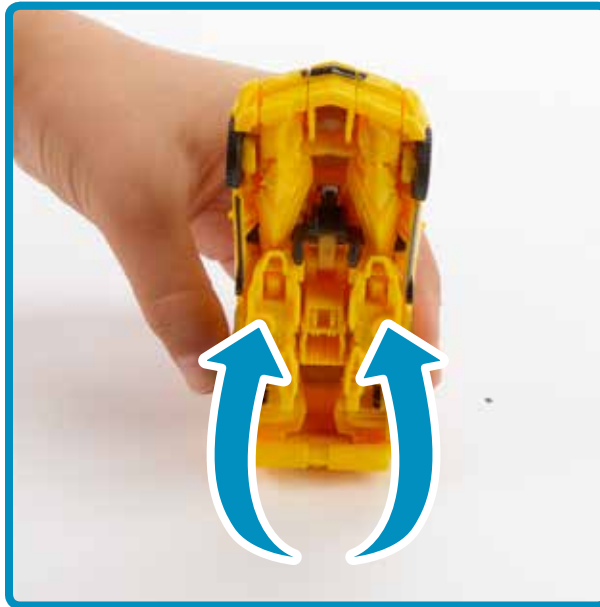

Oh no! Here comes Megatron! Your friend can say: "I found you, Megatron!" Then you can say: "I am too powerful for you, Bumblebee!" Last, you can say: "Full Autobot power!"

**After the battle, now it's time to
convert Bumblebee back to vehicle mode.**

**First, push the hands up and the
arms in.**

**Then fold the feet
back into place.**

**Last, push the windshield
until you hear a "click".**

In vehicle mode, you can roll Bumblebee to the rescue.

It's fun to play Transformers robots with my friends and family!
