Keep up with BOP IT to score 100 points! Then unlock more challenging levels for even more fun!

how to play

BOP IT will command you to do these 4 actions in random order! Respond as quickly as you can. If you respond correctly, BOP IT will answer with a sound and another command. But if you’re not quick enough, or you respond incorrectly — you’re out!

Shout it!
Add the SHOUT IT challenge to any game by sliding the green microphone up all the way so that you see the holes, as shown below. During any game, when you hear “Shout It,” quickly shout out anything you want. Just make sure you say it loud! You will hear a “scratching record” sound to signify success. If not, you fail! (If you don’t want to play with the SHOUT IT command, simply slide the green microphone back to the closed position so that there are no microphone holes visible.)

Each time you complete 100 commands in the SOLO game, you unlock a more challenging level in the game.

NOVICE LEVEL
All actions are called out as voice commands. If you complete 100 commands, the game pauses, announces your success, and automatically unlocks the EXPERT level. It then directs you to hit the BOP IT button to start playing. Once the EXPERT level is unlocked, you may access it in the future simply by pressing the LEVEL button.

EXPERT LEVEL
This level will randomly mix voice commands with sound effects as follows:
• “Bass drum” sound means BOP IT.
• “Low-pitched racket” sound means TWIST IT.
• “Whistle” sound means PULL IT.
• “Scraping record” sound means SHOUT IT.
If you complete 100 commands, the game pauses, announces your success, and automatically unlocks the MASTER level. Once the MASTER level is unlocked, you may access it in the future simply by pressing the LEVEL button.

MOROCCO LEVEL
This level will randomly mix voice commands with the sound effects described in the EXPERT level, and color commands as follows:
• “White” means BOP IT.
• “Yellow” means TWIST IT.
• “Blue” means PULL IT.
• “Green” means SHOUT IT.
If you complete 100 commands at the MASTER level — congratulations! YOU BEAT THE GAME!
