5. That’s it! Now it’s the next player’s turn.

WIN!
1. If you don’t have enough money to pay rent, buy a property you land on, or pay a Chance card fee, you’re bankrupt! And that’s the end of the game.
2. The other players all count their money, and the player with the most money WINS!
3. Tie? Count how much your properties are worth and add it on to your wealth!

ADVANCED!
Once you’ve mastered the standard rules, try playing the following way and see who wins!
1. If you don’t have enough money to pay rent or a Chance card fine, complete the debt with property you own.
2. If you owe another player, your property becomes theirs. If you owe the Bank, your property goes back on the market.
3. If you still can’t pay, then you are bankrupt and the game ends. Everybody counts their cash to see who has won!

AIM OF THE GAME!
• Zoom around the board, buy every property you land on, collect money and pick up Chance cards.
• When one player runs out of money, the others count their cash.
• The player with the most money wins!

How to win
Have the most money when any other player goes bankrupt (hasn’t got the cash to pay rent, buy a property they land on, or pay a Chance card fee).

How to play
1. The youngest player starts! Play continues to the left.

2. Roll the die and move your token that number of spaces clockwise from GO.
   - Always move forward, never backward
   - Every time you pass or land on the GO space, collect $2!

3. Where did you land?
   Read about all the different spaces before you start.
   - If you land on:
     - AN UNOWNED SPACE
       If no one owns it, you must buy it!
       - Pay the Bank the amount written on the space.
       - Put one of your sold signs on the colored band at the top of the space so everyone knows you own it!
     - AN OWNED SPACE
       If another player owns it, pay them rent. Rent is the amount written on the board space.
       If you own it, do nothing.

   - A PAIR = DOUBLE RENT!
     If a player owns both properties of the same color, rent is double the amount shown on the space.
