

# The Write Stuff

When Princess Twilight Sparkle came to live in Ponyville, the beautiful and wise Princess Celestia asked for letters about the lessons Princess Twilight Sparkle was learning as she studied the magic of friendship. Use the space below to write your own letter to Princess Celestia and tell her all about your friends!

Dear Princess Celestia,

My friends are named \_\_\_\_\_

Some fun activities we like to do  
together are \_\_\_\_\_,

As a student of the magic of friendship  
I've also learned \_\_\_\_\_

Your faithful student,
