Official Dart Tag Rules

Get into the ultimate game of blaster tag! Score by blasting your opponents or capturing their “flag” in this intense, high-speed sport. Get your gear, recruit your team, and GO GET THE “FLAG”!

Equipment to play:
• 1 DART TAG blaster for each player
• DART TAG darts for each blaster
• 1 set of DART TAG VISION GEAR™ eyewear for each player (required)
• 1 official DART TAG jersey for each player
• 1 “Flag” for each team (you can use any small, light, bright-colored object or piece of fabric)

Players must:
• Wear DART TAG VISION GEAR eyewear at all times.
• Not modify jerseys, or wear other clothes that could block darts from sticking to jerseys.

Game play:
• Objective: Get the highest score by capturing the opposing team’s “flag”.
• First team to score 3 points wins. Every time your team captures the “Flag,” you score one point.
• Number of players: 2 or more, split into 2 equal teams.
• Each team must establish a location as its base, and locate its “flag” there in plain view.
• Tapping opponents - If an opponent sticks a dart to your jersey, you’re out of the game for 10 seconds.
• Capture the “flag” - To capture the “flag” you have to take the other team’s “flag” and return it to your base. If a player is tagged while carrying the “flag,” he must drop the “flag” to serve his 10-second penalty. The “flag” stays where it is until another player picks it up. It can be returned to its home base by a player, or captured. Once the “Flag” is captured, play stops while it is returned to its home base.

Flag not included. Use any small object from home.

Blasters each sold separately.
