FCC STATEMENT
This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy, and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Consult the dealer or an experienced radio/TV technician for help.

CAUTION: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE TO UK CONSUMERS: This product and its batteries must be disposed of separately at your local waste recycling centre. Do not dispose of in your household waste bin.

WASHING INSTRUCTIONS

(DO NOT WASH TOY WITH ELECTRONIC UNIT INSIDE)

Open back, untie laces and remove electronic unit. Place the toy in pillowcase and tie end closed. Machine wash in cold water, gentle cycle, mild detergent, NO BLEACH. Tumble dry in pillowcase on low heat setting. After the toy is dry, distribute filling evenly throughout body. (During washing, filling may bunch up.) Place electronic unit in the toy with the bulb toward the tummy and the activation button facing forward. Fit lace through tab on each side of unit and tie to other lace. Close seam.

TO REPLACE BATTERIES:

Replace demo batteries with alkaline batteries. Phillips/cross head screwdriver (not included) needed to insert batteries. Open seam on back to access electronic unit. Untie and remove the electronic unit from the back of the toy. Loosen screw in battery cover (screw will remain attached to cover). Remove cover. Remove and discard demo batteries. Replace with 2 x 1.5V AA alkaline batteries. Replace cover, retighten screw and put electronic unit back inside with the light and button facing forward. Tie unit into place and close seam to conceal electronic unit.
