

# Radio Control Vehicle

## INSTRUCTIONS

**CAUTION: HAIR ENTANGLEMENT MAY RESULT IF CHILD'S HEAD IS TOO CLOSE TO MOTORIZED UNIT OF THIS TOY. ADULT SUPERVISION REQUIRED.**

**Adult Assembly Required.** One 9-volt battery and 4 "AA" alkaline batteries (not included). Phillips® screwdriver required for battery placement.

### To Install Batteries In Vehicle

- Using a Phillips screwdriver, remove screw from battery compartment door. Press door down until you hear a snap - door will now swing open.

- Insert 4 fresh "AA" batteries into compartment as shown. Replace battery compartment door, snap it back into place, and replace screw.

### To Install Batteries in Controller

- Using a Phillips screwdriver, loosen screw in battery compartment door. Slide out and remove door.

- Place one fresh 9-volt battery into compartment as shown. Replace door and retighten screw.

### CAUTION: TO AVOID BATTERY LEAKAGE

- Be sure to insert the batteries correctly and always follow the toy and battery manufacturers' instructions.
- Do not mix old batteries and new batteries.
- Do not mix alkaline, standard (carbon zinc) or rechargeable (nickel-cadmium) batteries.
- Always remove exhausted or dead batteries from the product.

### Play Instructions

- To activate, switch button on bottom of vehicle to "ON" position.
- Place vehicle on a smooth, flat surface (not carpeting), and it will spin in place. Vehicle may be shut off at any time by switching the button to the "OFF" position.

- When vehicle is facing direction you want it to travel, press and hold down button on controller. Vehicle will move forward.
- To change direction, release button, and car will spin in place. When it's facing the right direction, press and hold the button.

### FCC STATEMENT

**Note:** "This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference

(2) This device must accept any interference received, including any interference that may cause undesired operation."

"Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment."

**WARNING:** Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
