DIRECTIONS

Place the OUIJA Talking Board upon the laps of two persons facing each other, lady and gentleman preferred.

Place OUIJA Indicator in center of OUIJA Talking Board, resting fingers with the least possible pressure upon the Indicator, allowing it to move freely over OUIJA Talking Board in all directions. Questions may be asked and in from one to five minutes the Mysterious Indicator will commence to move, at first slowly, then faster. As it passes over OUIJA Talking Board each letter of a message is received as it appears through the transparent window covered by the indicator.

2nd—Care should be taken that one person only ask questions at a time so as to avoid confusion.

3rd—To obtain the best results it is important that the person present should concentrate upon the matter in question and avoid other topics. If you use it in a frivolous spirit, asking ridiculous questions, laughing over it, you naturally get undeveloped influences around you.

4th—The OUIJA Talking Board Game is a great mystery, and we do not claim that at all times and under all circumstances it will work equally well. But we do claim that with reasonable patience and judgment it will satisfy your greatest expectations.

5th—Explore the mysteries of mental telepathy and the subconscious with this time tested favorite.

6th—OUIJA Talking Board Game Equipment should be kept smooth and free from dust and moisture, as all depends upon the ease with which the feet glide over the surface. Rubbing with a soft dry cloth just before using is advised. Do not store in damp place.

See that the registered trademark OUIJA and the name William Fuld Incorporated, appear on all parts of equipment and package.
