**HOW TO PLAY**

The little roaches get pretty angry when you catch them in the jar -- and in each stage they will at some point swarm together and form THE GIANT ROACH. Yuck! As the game progresses, you will get your chances to fight against ROACH COACH himself! If you can defeat ROACH COACH in stage 5, then the day is saved and you WIN the game!

**THE STORY -- WILL THE DAY ON CE AGAIN BE SAVED?**

The happy town of Townsville is in trouble once again! The Mayor does what the Mayor does best -- he calls for THE POWER PUFF GIRLS! BUTTERCUP, BLOSSOM, and BUTTERCUP fly to the rescue, ready to kick some butt! But it won't be easy because instead of fighting one enemy, THE POWER PUFF GIRLS will have to face hundreds of enemies -- disgusting roaches -- let loose by ROACH COACH! ROACH COACH hates people (people are not too thrilled with him, either) and he believes that roaches should take over the earth! Only THE POWER PUFF GIRLS can stop him! When you beat ROACH COACH, you will discover ROACH COACH'S little secret!

**OBJECT OF THE GAME**

Will the day once again be saved thanks to THE POWER PUFF GIRLS? They will need YOUR help! There are 5 stages of play. In each stage, you will begin by facing little roaches. Sure they are annoying and ugly -- because they're ROACHES! Ughh! Punch them and kick them -- and then put them in a glass jar for safe keeping! But then ROACH COACH will appear with his special highly-tuned whistle. When he "blows the whistle" on you, the glass jar will shatter, freeing whatever roaches you've caught in the jar.
